문제

The acronyms and full names of schools in GEC(Global Education City) are as follows:

- NLCS: North London Collegiate School
- BHA: Branksome Hall Asia
- KIS: Korea International School
- SJA: St. Johnsbury Academy

Kyubin dislikes using acronyms. Therefore, he decided to write a program that prints the school's full name when given a school's acronym.

Write a program that prints the full name of a school when the acronym of the school is given.

입력

In the first line of the input, the acronym of one of the schools in GEC is given.

출력

In the first line of the output, print the full name of the school given.

예제 입력 1 복사

NLCS

예제 출력 1 복사

North London Collegiate School
