problem

Write a program that inputs a test score and outputs an A for 90 to 100, a B for 80 to 89, a C for 70 to 79, a D for 60 to 69, and an F for all other scores.

input

The first line contains the test scores. The test scores are integers greater than or equal to 0 and less than or equal to 100.

output of power

Print out the test scores.

Example Input 1 copy

100

Example Output 1 copy

A
